In online reports we can provide chassis or serial no.’s very clear pencil impression photo.

- In online system we don’t have limit to attached photos of propose vehicle or machine so we can upload more than 10 to 15 photos in single report for full information like interior , exterior ,meter reading , chassis no. or serial no., engine , tyres, no. plates etc.

After checking the report clients can download it and also print it. There is no need of hard copy required for further process, each and every report made online with digitally signature on it as well as original copy. We have secured our website with SSL certificate so all reports/ data will be encrypted in network transmission. **Our system is Safe, Secure & very fast To Use.**

Auto Value India

We did not done any changes in basic design for needs of valuation report & the Format Provided By Bank Authorized but digitalized it by making online and adding some features like Lead generation, adding documents, view report, print Report, Download Report, Adding Pencil impression, adding more than 10 to 15 nos. of photos, digital signature,etc. Some of these extraordinary features make “Autovalueindia” complete online valuation system but on other hand very simple & easy design of the site makes it easy to use of it for everyone.
